As we look forward to Holy Week and a much deserved Spring Break, I'd like to pause and express my gratitude to our one of a kind PVO. Most recently, our Kings' Gala raised nearly \$120,000! Thank you to everyone who attended, sponsored, and donated. Our Gala Committee lead the effort with their vision, perseverance, and endless hours of hard work which made for a very successful event. RPA is lucky to have these brilliant women on our team. Thank you Gisselle Calleja, Jamie Ringhofer, Jennifer Michetti, Adeline Henriquez, Jackie Balandra, Amy Blair, and Mari-Elean Vickers!

Our most recent Family Spirit Night at Chipotle had a great turnout and raised \$1,000! Thank you to Danielle Dejthai for coordinating this event. We are looking forward to the next RPA spirit night!

RPA PVO is always looking ahead and striving to exceed our goals. We are already planning for next year and have some exciting new efforts in the future. Personally, I've had the awesome honor of serving as President the last 2 years. My goal has always been to serve our school well because everything we do, is for the benefit of our children. I've enjoyed working with all of our volunteers, administration, faculty, and especially Lynn Girouard & Scott Baier. This is definitely a team effort!

Because we have so many gifted and talented parents, it is time for me to pass the torch and let someone else lead. It is my pleasure to announce that Autumn Speichert will serve as RPA PVO President for the 2017-2018 school year. Autumn has been an RPA parent for 3 years, and is mom to Violet. She currently chairs our Welcome Committee and has been a valuable part of our PVO. She has a beautiful heart and love for RPA and I am sure she will continue to bring new ideas to our school.

Thank you and God Bless,

Jessica Santella

RPA PVO President
